# boys sports show success in 1977-78 season

cdm gridders showed their winning abilities once again by placing second in the south coast league. the seakings' varsity football squad advanced to first round cif playoffs where they were defeated by the forceful el dorado team. standouts on this years varsity team included martin hubbard, marty greene, bruce batcheller, clark hayes, and greg kohler. they'll all remember the night junior, mark baker, showed up at an away game with two left shoes and no one else wore a size 13. though many a cold night on the football field marty greene never caught a chill thanks to the "heat" in his jock. last but not least who will forget the saturday morning football blues after the friday night post-game activities.

this years varsity basketball squad came through with flying colors winning the south coast league. led by coach jack errion, the 1977-78 cagers progressed to second round cif where they fell to the los amigos team, (who didn't live up to their name.) junior dave koeler finished the season with the most points, being an average of 22. other outstanding players included: kurt brockman, shawn ahearn, and matt osgood. depending on the more experienced players to guide the team, the squads confidence was set back when seniors, steve esposito, and mark rains were injured while playing football, thus making them unable to participate in the season openers. throughout the season some of the players were tagged with nicknames some memorable ones were: todd pickett; tedd brickett, matt osgood; milky way, mark rains; big hunk and court shannon; beaver. then there was ahearns singing on the bus, brockmans visit to the little shrimp, starnes sleeping on the bus and the teams theme song blue bayou.

the cdm soccer team had a very successful third season. the team placed second in league and proceeded to cif for the first time. they lost out to glendora in the first round of cif. led by coach gary bond the star players included scott galloway, steve hardy, kevin halloian, andy turek and andy mcsunas. the 1977-78 soccer team seemed to have the motto "all work and no play", but the team all seemed to agree that eddy wagner (renamed "the mouth") kept them laughing throughout the season.

chris roll, rian craig, and adam elias all obtained league championships on this years varsity wrestling team. the grapplers finished fourth in league tying with university and san clemente high schools. chris roll and rian craig advanced to cif finals where roll placed fourth. aside from alot of hard work the team managed to have their share of fun which included dining at "donatellis" after meets, dine and ditch at jo-jos and the team theme; "party at elias." before a match team members were usually more concened with what to eat after the meet than how to win it.

this years track team started out with an unfortunate eligibility mix up dealing with seniors mike kates, dave thomas and steve young. even though the season got off to a bad start the team did well overall. with cam douglass, steve chase, and david hunsaker returning as the outstanding runners for the spikers. in addition to the sacred tradition of the 440 relay team there was also the tragedies of biff and buff at the chaffey inn, tom willig trying to prese the relay zones, and the distant runners holding up the longers allor, which the 1977-78 track team will remember.

the 1977-78 season proved to be a winning one for the majority of the cdm boys sports.

many of the sports will lose players who are graduating, but we hold high expectations for the 1978-79 boys sports season and know they will follow the sea king tradition of winning.

# girls athletics show winning ability

under the strict direction of coach john blair the cdm girls track team sprinted right along this year! it was a serious year for the team ... with linda hughes being the new young hopeful in sprints, chris brestels talents in the hurdle, shot-put and mile relay and the always faithful marcie wurts in the high jump the team was a success. but there were some not so serious times too ... coach blair telling his morman polish jokes, beth newbro and her good-luck panda bear, kris hamasawki riding her mo-ped to practices wearing three pairs of sweats and a ski mask and the awesome, fearsome fivesome; barbie, looxie, rabbit and baby roo-all lead by kristopher robin. the 1978 spikers (who also go by the name of sea queens) even had their own team song: (sung to the tune of "take me out to the ball-game") ... 'take me out to the track meet take us out to the field. we will work up a good hard sweat. when we're done we'll be smelly and wet. so it's root, root, root for the sea queens. if we don't win we'll get beat (no way) for it's 3 laps-2 laps-1 lap we're there at the girls track meet. win! win!' ... it was quite a season.

this years swim team not only brought more new face's and names but also the return of old ones. under coaches debby edwards and doug moon, who had a very hard time trying to cope with the never ending chatter during workouts, the season promised to be the most successful ever. returning swimmers included jenny olson, cathy and cindy cirillo, lorri valentine, diana martin, janet carr and kim delvalle. national champion alice browne was expected to lend a hand along with sister margaret. new talent included robyn garrison, karen bind, val vinje, karen faber and tracy lehr ... "work (?) outs" were a hard test for everyone this year. lines delivered to get out of workouts were wide and varied, and some of the more famous ones were; "we had a workout this morning?! ... my alarm didn't go off ... i'm too tired! ... "and kathy and heidi's infamous "i can't ... just because." ... suits, as usual, were a major team decision, or in this case-indicision. with nearly 50 swimmers, it took over three weeks to decide-and that involved going from guatemala, veracruz and puerto vallarta while stopping of at the arena to see the coral reef. favorite activities of the team included munching-out, whistling at babes, hoping for thunder and lightning, kidding the coaches about getting together, and arguing. never to be forgotten will be the time lisa, jenny, karen and diana went rolling in track and field during pouring rain just before workout, or the two buzz sisters at the swim-a-thon, or especially the bus rides to meets. but what will linger on in their heads forever will be the friends made and the adventures shared.

it wasn't quite as eventful for the girls softball team this year. considering that they spent most of their practice hours "scoping" on the guys track team they really didn't do too bad! the team, led by coach melanie salata, did have one big advantage over the 1977 girls softball team-they had a coach, something that was missing from last year's team! but they also had a disadvantage-this year's team didn't have a pitcher ... question: how does one play softball without a pitcher??!

1978 would have marked the third year for the cdm girls field hockey team competing in c.i.f. only things didn't go as planned-the girls did work and win to qualify for c.i.f. but only to learn of a mix-up that prevented them from competing in the matches. despite the set back there were some good times too. the team had a high time at big bear-skiing and goofing around in the lodge, either being too rowdy or not rowdy enough at the rallies, the loyal fans; sonya, sydney, sharon and the giffs, plus pot lucks, pot lucks and more pot lucks. they had an "interesting" time listening to kelley halligan talk about "the giant breast and the giant bra that was sent out to capture it" and spent many hours wondering whether or not robbie could make through one game without getting injured or at least hit! the team's favorite quote seemed to be "yes cheerleaders, there is a field hockey team!!"

the 1978 badminton team was once again co-coached by carol stockmeyer and gary bond, standouts included jeannie eliades, kim young, dru parriot and kim deaver. the girls were kept wide awake at morning practices with coach bond's masochistic practices, coach stockmeyers sit-ups, suzzane butts' wild outfits, kari's spastic backhand and karen macke's disrobing during practices.

the girls tennis team stayed behind the scenes this year but a few of their pranks managed to slip out ... such as; toilet papering mrs. hernandez's car in ventura in their p.j.'s and giving "hi-signs" to every guy that came along. they all will remember when mrs. hailey got hit by a water balloon at la canada high school. star players included terri baldwin, lise scherfig, michelle ford and sharon bercaw.

over the years we have heard complaints about unfairness to women in sports and about the lack of facilities, equipment, coaches and support to the cdm girls teams. despite all this, the corona del mar high school girls athletic teams have showed their winning abilities throughout the 1977-78 year.

home for the holidays -  
i believe i've missed each and every face;  
it's time i found myself  
totally surrounded in your circle. - oh my friends.

please, celebrate me home.

play me one more song that i'll always remember;  
i can recall whenever i find myself too all alone;  
i can sing me home.  
so i can make believe i've never gone,  
won't you let me know where i belong.

well, i'm finally here, but i'm bound to roam.  
c'mon, celebrate me home.

October 28, 1977-

-festivities began at the homecoming rally where former cheerleaders and over-the-hill-melee returned to join in the traditional activities.

-that night during halftime at the football game against mission viejo, david foell, master of ceremonies, crowned kelli kuster our new homecoming queen and went for a record-breaking kiss.

-then on to the dance at the south coast plaza jewel court, where mizzouri foxx played to the theme, "celebrate me home". at the stroke of midnight, mike newbro was crowned king by senior class president alyssa padia.

CLASS OF '78

your friends say they'll keep in touch.  
but you know they won't.  
your teachers say come back and see them.  
and you know you won't.  
maybe someday it won't matter.  
but, right now, it hurts a little.

newport is a place where all the fantastic looking girls and great weather outweigh the crowded housing and lousy traffic by a longshot.

to me a friend is someone who

Sean...

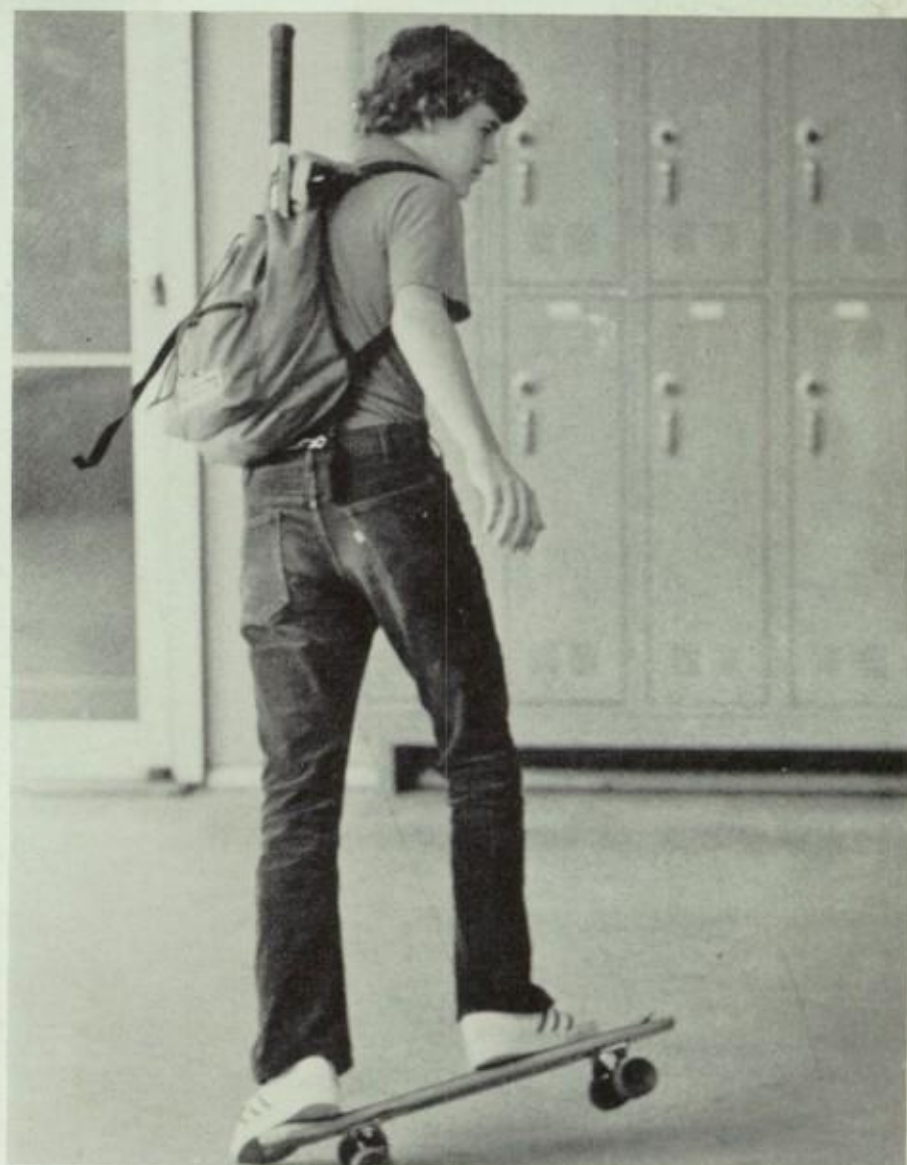

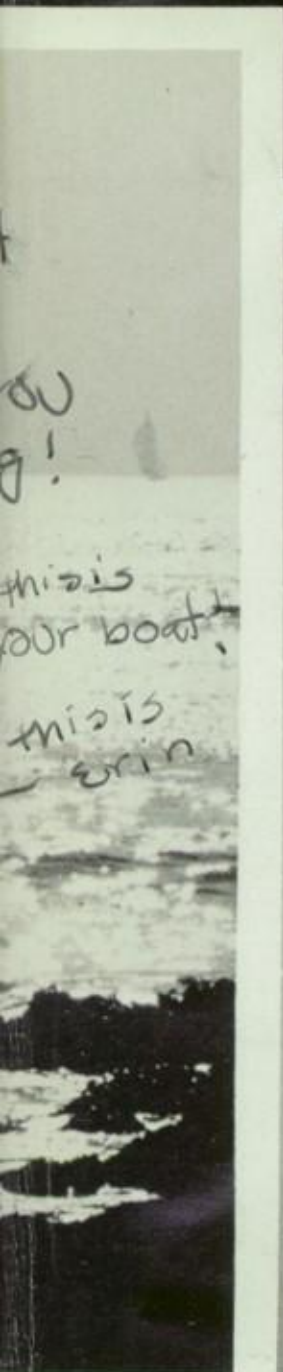

This is sort of sad writing in your yearbook because  
means good-bye to high school. I hope we're still  
friends after everything we've done - i only wish  
weren't such a brat all the time - just kidding  
Enjoy the rest of your time at Corona - it's a blast!  
Keep smiling - see you this summer!

P.S. bye soon!

Love,  
Karen Jab

the words you have spoken and the  
smiles you have given take only a mo-

Sean -

It's great to  
see that we  
both got out  
alive. I'm  
glad you were

didn't lose track  
of some of my  
friends. This is  
better than the  
L.H. yearbook, huh?  
Partie during the  
summer and have  
fun. Love,  
Joanne

Sean,  
I can't say drives Ed

that I got to meet you!!  
Hopefully I'll see you

year. Have a good  
summer and see ya  
at the beach.

Love,  
Jeanne

Sean,

I am happy that I meet  
your requirements. I suppose  
you meet mine. Don't get  
married while I am gone  
or I will die, but don't hold  
back on my account. I  
really do care about you  
a lot, so don't even think  
I don't. You're one of the  
neatest, most perfect guys  
I know, (beside you no who).  
Please don't bomb out on  
me in writing while I am  
gone.

Take care of  
Hot Puppy!

Catherine  XOXO

Sean,

Sean, 

I am really glad I got to know you. We had some  
sun times that one weekend, there will probably be  
more when I get back. I am sorry I will be missing  
your party. I know it won't be any good without  
me. (Just kiddin) I hope it will be a big success, it  
probably will be. I am sorry if I ever made you mad.  
You have to take me out on your boat before I leave  
or I will be super mad at you. I hope you have a  
good summer. Do lots of waterskiing, but make sure  
you think of me. Please don't go with Lee on June 19th  
you will get hurt, I know you will. It is too dangerous.  
Don't get pegged with a surfboard this summer or I will  
die (Famous last words)!! Good-bye, (Good looking)

Love Catherine Stone XOXO

Sean,

This year has been fantastic  
but what really made it that  
way was meeting you. You have  
been a great friend. You're such  
a cutie especially that time  
when you had that zinc on  
you. You're really nice to share  
your boat, like you do. You're  
really polite and considerate  
~~me~~ except when you condogged  
me. I don't know what I would  
do without a friend like you.  
I hope to see you a lot this  
summer and for sure next  
year. I don't know if I can come  
to your party because we are  
going on a trip. If I miss it  
I hope it turns out good.  
Love Andrea.
